December 2023

It gives me great pleasure to be writing to you on behalf of the Board of Governors of Kesh Primary School and Community Nursery. The school has enjoyed another successful year, as is clear to see in the numerous reports throughout this booklet. It is testament of the hard work that all within the school community put in, harmoniously with the Board of Governors, for the betterment and development of the school for all.

Our school is central to the life and vitality of the whole community, and it is wonderful to see the involvement of different people in the life of the school throughout another year. Key to the success of any school is the quality and enthusiasm of all the teaching and support staff and I would like to thank the staff for their commitment to the school and the wonderful job they are doing, ably headed up by our principal, Mr. Stewart.

My thanks also go to the Parent Support Group as they continue to work in the background with various activities over the year.

I now have pleasure in presenting this annual report for the school year 2022/2023.

Yours Sincerely,

Jonathan Graham

Board of Governors - Chairperson

Kesh Primary School and Community Nursery Vision Statement

‘Nurture and Flourish’

‘Achieving and Caring’

In Kesh Primary School and Community Nursery, we believe that the safety, welfare, and personal development of everyone in the school community is of paramount importance.

We have high expectations that all children will achieve to the very best of their ability thus enabling them to make informed and responsible decisions throughout their lives.

We seek to develop the pupils as individuals who recognise and value difference, as contributors to society and as contributors to the economy & environment to prepare them for the opportunities, responsibilities, and experiences of adult life.

SCHOOL VISION

Kesh Primary School and Community Nursery seeks to:

- Create a welcoming, caring, happy, secure and disciplined environment
- Promote confidence and a sense of self-esteem by treating each child as a valued, independent and responsible individual;
- Promote qualities such as co-operation, fairness, honesty, tolerance, forgiveness, sincerity, open-mindedness and personal responsibility;
- Develop habits of self-discipline and acceptable behaviour;
- Foster an attitude of respect for self, for others and for the environment;
- Foster good home and community links;
- Encourage a love of learning and develop skills which will enable the children to become independent learners;
- Provide opportunities for children to develop at their own rate.

Provision

We believe that each child will succeed through experiencing quality in:

- A broad and challenging curriculum
- A stimulating learning environment
- A rich, varied and up to date range of learning resources
- An ethos of support, challenge and encouragement to succeed
- Innovative teaching strategies
- Positive partnerships between school and stakeholders
- Exploratory, investigative, problem solving and decision making approach to learning
- An enriching programme of extra-curricular activities, workshops and visits.

We demonstrate our commitment to working as a learning community by:

- Striving for continuous improvement in all that we do
- Working collaboratively towards shared goals
- Fostering an open, fair and equitable culture

The Board of Governors 2022-23

The Board of Governors of Kesh Primary School and Community Nursery is made up of enthusiastic and committed people who work in close partnership with the staff of the school, to ensure that each child reaches his/her fullest potential. Those on the Board of Governors come from various walks of life and each is dedicated to enhancing the educational experience and outcomes for all those in our care.

Mrs Diane Booth resigned from the Board of Governors effective from the 30th June 2023 following a term that began in September 2014. I would like to thank her for her input in the leadership and management of Kesh Primary School and Community Nursery, over the years.

During 2020-21 the governors met regarding their responsibilities for:

1. School self-evaluation and school development planning
2. The delivery of the Northern Ireland Curriculum
3. Staff appointments, attendance and welfare
4. Admissions policy and enrolment
5. Policy review
6. Financial management of the school
7. Performance review and staff development
8. Child protection, pastoral care and promoting positive behaviour
9. Responding to DENI circulars and initiatives
10. School building-health and safety/security

We wish to express a big thank you to all the school governors for willingly giving of their time to ensure that the administration of Kesh Primary School and Community Nursery proceeds smoothly and effectively.

Enrolment & Attendance

During 2022/2023 year our enrolment was 245. 33 children are joining us in Year 1 next year, with an intake of 30 in our Nursery. 36 pupils left Year 7. The expected enrolment in September 2023 is 245.

The average daily attendance for 2022-23 was 94.5%, this is higher than the average attendance in NI for the 2021/22 academic year of 91.6%. The attendance rate is indicative of the positive attitude which our pupils and parents have to good attendance and punctuality, however it is worthy to note the possibility for this to be improved upon in the next academic year.

Safeguarding and Child Protection

Our child protection policy is circulated to all parents annually and is available to all parents upon request and on our school website. Child protection procedures continue to be fully reviewed and implemented and criminal background checks are carried out on all newly appointed staff and volunteers. Mrs D. Irvine is the Designated Teacher for Child Protection, with Mrs E. Gamble and Mrs W. Read the Deputy Designated Teachers for Child Protection. All staff have attended or received appropriate training and our Board of Governors have also attended training on child protection, when appropriate. The child protection notice board is kept up-to-date with various child protection information and identifies clearly those teachers responsible for child protection. There are also child friendly notices throughout the school highlighting to the children what they should do if they feel worried or unhappy. The children are reminded through PDMU/assembly/circle time etc. of the various people and procedures which are in place to ensure they feel safe and happy both inside and outside school.

H Financial Plan 2023-2026 Declaration

Declaration

The Board of Governors understand the financial and management responsibilities placed on them with respect to the delegated financial budget of the school, and of the need to ensure compliance with current guidance including "Guidance on Financial and Management Arrangements for Controlled and Maintained Schools funded under the Common Funding Scheme".

The Board of Governors also understand the need to ensure financial competence within its Board and can confirm that at least one Board member has under taken appropriate financial training provided by EA (or appropriate).

The School's Board of Governors have considered each version of Three Year Financial Plan prepared by the school and LMS, in line with the assumptions made in different versions/options. The information contained within this Three Year Financial Plan reflects the Board of Governors final and agreed plan, which has been based on reasonable and realistic assumptions.

Following such consideration, the Three Year Financial Plan has been authorised by the Schools Board of Governors at the meeting held on:

The Board of Governors confirm that finance is a standing agenda item for Board of Governor meetings (or Finance Committee meetings), and will endeavour to regularly monitor (at least quarterly) the schools financial plan, to ensure that actual, committed and projected expenditure is revised accordingly.

Boards of governors are reminded that, while the legislation provides delegated budgets for them to deploy resources to best effect in delivering the highest possible quality of education, it gives them no authority to exceed the limits of the budget delegated to them. Boards of governors cannot spend more than they receive without the express and advance approval of the EA as Funding Authority, and they must not plan to do so. The Board of Governors therefore understand they must have EA's agreement before incurring any expenditure that would exceed that agreed and approved by EA.

- estimates of expenditure are considered by EA to be unrealistic

School Development Plan

Due to the ongoing industrial action, the implementation of a school development plan has been challenging. For this year, following Department of Education guidance, we have developed a 1 year 'transitional' plan. It aims to target the following areas:

1. Assessment
2. Forest Schools
3. Kesh Community Nursery
4. Language and Communication
5. Numeracy
6. PSED/PDMU
7. Physical Education
8. Religious Education
9. Special Educational Needs
10. Using ICT
11. World Around Us

Details of this plan have been circulated to the Board of Governors, along with end of year evaluations. Although the Dept. of Education have suggested another 1-year interim plan, the school will aim to have put in place a 3-year SDP in November 2023.

Curriculum

The school provides a broad and balanced curriculum that seeks to promote the intellectual, physical, spiritual, social and cultural development of each child. The curriculum is delivered in accordance with the requirements of the Northern Ireland Curriculum. All classes follow these and the end of year report includes comments on all key areas covered. Policies, schemes of work and planners are in place for all areas of the curriculum and other aspects of school life. Policies are available on the school website.

During the school year all parents were invited to a telephone parent/teacher meeting and an annual end of year report was written for each child in June. There is an open door policy which allows the parents to discuss any concerns with the Principal or class teacher at any time convenient to all parties.

Special Educational Needs

Children with special educational needs are catered for in class through differentiated activities in all aspects of the curriculum where necessary to help reduce barriers to learning. Individual education plans are written for those on stages 2-5 of the code of practice. These plans set targets which are 'SMART' and are reviewed termly with parents.

By the close of the school year 2022-23 our school's SEN register consisted of 46 pupils which is 22.4% of our enrolment.

An introduction to Talk for Writing: Presented by Michelle Young

This training will provide an overview of what it looks like to teach writing through the Talk for Writing approach and structure, across the Key Stages as a whole school approach. The course will be focused on strategies for developing children as storytellers and writers, looking at how to help them learn stories through story mapping, using actions and deepening understanding through a rich variety of explorative activities. The processes of writing progression and formative assessment will be shown as well as TfW strategies that develop rich language and vocabulary through modelling and shared writing to provide quality scaffolding in a literacy-rich classroom. Finally, the innovation of a story structure through to independent invention and application will be demonstrated before a concluding reflection as a school.

Fund raising

At Kesh Primary and Community Nursery School we encourage our pupils to think of others. As a staff we voted for a cause, choosing Action Mental Health. To support this cause we had a 'Go Purple Day' which raised £442. The parents elected to support MacMillan Cancer Support. To support this cause we had a 'Go Green Day' which raised £432. Other community efforts throughout the year include a large donation of produce to Share Ardess Foodbank, Kesh. Royal British Legion Poppy Appeal- £427.44. Donations of Shoe Boxes to the Samaritans Purse Shoe Box Appeal. Year 7 Young Enterprise Fair- £536. Amber and April Mahon haircut in support of the Carscadden Family's missionary work in Uganda- £100 staff donation.

Extra Curricular activities

This year saw a return of our clubs and we were delighted to offer the following on top of our breakfast club, Little Bridges (for Years 1 and 2 between 1:50pm - 3.10pm) and our After School Club (for Year 1-7 from 3.10pm - 4.30pm)

Spanish
Dodgeball
Drama/Reading
Art/Crafts
Yoga

Football
Christmas Club
Easter Club
Rugby
Scripture Union
Athletics

First-aid and Lifesaving
Coding Club
Cycling Proficiency
Transfer Club

Parent Support Group

We are indebted to our dedicated PSG for their continued hard work and commitment to the school. Money raised this year helped support the purchase of our new Interactive Whiteboards in all of our classrooms, thanks to a donation of £10,000. Thank you to all our PSG members and in particular to our outgoing Chair Mrs Adele Moore. This year we enjoyed a wide variety of activities including; Christmas Hamper raffle, School Disco, Ladies' Night, Break the School Rules Day, PSG Fun Night, Movie and Munch
