How to draw a Crazy Character called:

Draw a small circle for the head in the middle of the page.

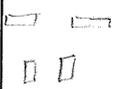

Draw a square for the body touching the bottom of the circle. And draw the square a bit bigger than the circle.

Draw a triangle on top of the circle with a line under the triangle to look like a hat.

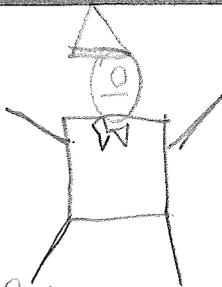

Draw one big eye in the circle. Draw a line near the middle of the circle.

Draw arms and legs on the square. The legs on the bottom and arm on the top of the square.

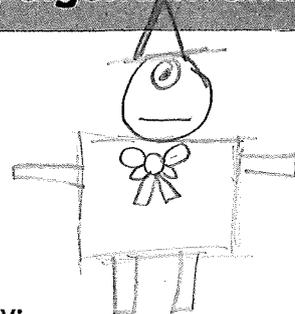

and draw a little bow near the top of the square below the circle.
